- The Embassy of Italy and the Italy Visa Application Center do not work with any external agents, intermediaries, or representatives for booking appointments or influencing visa outcomes.
- Staff of the Italy Visa Application Center will never request cash payments, bank transfers, or personal payments to secure appointments, obtain earlier slots, expedite processing, or influence visa decisions. No payments should ever be made to personal bank accounts or individuals.
- Applicants are strongly advised to remain vigilant against fraudsters or intermediaries claiming to sell visa appointments in the name of the Embassy of Italy or the Italy Visa Application Center.
- Purchasing appointments through third parties is a fraudulent practice, which is strictly condemned by the Embassy of Italy and the Italy Visa Application Center. Such practices may result in cancellation of appointments without notice.
